A. Background

The Judiciary, State of Hawaii, provides support, intervention and/or rehabilitative services to juveniles, adults and families through its Adult Client Services, Juvenile Client and Family Services, Drug Courts, and miscellaneous Administrative Director Services. In carrying out their goals for these areas, all circuits utilize community resources through purchase of Health & Human Services basis.

The following provides the specifications for organizations wishing to provide services to the Judiciary for the State Fiscal Years 2008 through 2011. Upon evaluation and acceptance of proposals, when practicable and upon mutual agreement, contracts may be negotiated on a statewide basis, making services available to children, youth, adults and families in all circuits. **The contract term will be for the biennium period July 1, 2007 through June 30, 2009, and may be extended for the biennium period July 1, 2009 through June 30, 2011.**

B. Purpose or Need

The greater public purpose for obtaining the services is to: enhance public and victim safety; provide rehabilitative or intervention services to offenders; promote the welfare of families and children by protecting them from physical and psychological harm; and maintain a judicial process that helps to reduce the courts' workload while promoting fairness and prompt action.

Planning activities related to this RFP involved the issuance of requests for information (RFI). Tentative specifications and funding allocations were included with the RFIs, and comments and inputs on aspects of the specifications, such as objectives, target group(s), services and costs, were welcomed. Meetings and discussions were also offered. The views of service recipients and community advocacy organizations were also considered on conditions affecting the achievement of mandated goals. Input was also obtained from funders, including the Legislature and federal agencies.
